PlymoVent is a global company with subsidiaries and distributors in over 45 countries

All our offices have the experience and know-how to supply a complete solution for a very profitable, clean and healthy work environment. For over 25 years we have provided the most effective, and in the long run, most economical solution to any problem our customers may have.

We are happy to share our professional knowledge, from analysis and design, to supply, installation and commissioning – all included in a value for money package.

Welcome to PlymoVent.
